

Resource Insurance Services, Inc. Partners with HUB Financial Services

December 18, 2013 - Resource Insurance Services, Inc. (RIS), a Lewisville, Texas based outsourced servicing solutions firm, announced today that it has partnered with HUB Financial Services, a division of Hub International Limited (HUB), a leading global insurance brokerage.

In connection with this partnership, Luis Tobias, currently Client Services Manager of RIS, will be joining HUB as the RIS Account Manager, reporting to Barry Binder, Vice President and Director of Client Services. The RIS servicing team will become part of the HUB Coppel, Texas office; continuing to provide the excellent customer service of which their clients are accustomed. The RIS management team, consisting of CEO Don Brooks, President Stone Youngblood and Vice President Susan Youngberg, will continue to maintain their offices in Florida and Texas.

RIS specializes in the mortgage and collateral protection insurance business, with experts in customer service, data retrieval and transfer, sales and marketing, product development and technology. RIS has taken the knowledge gained from its management team's over 85 years combined experience to create a company dedicated to providing comprehensive and competitive products and services with an emphasis on individualized personal service.

The partnership of RIS and HUB will provide clients with the best possible outsourcing solutions through a shared vision of client-centered customized programs and services.
